KATHERINE HENDERSON DIES IN AUTO WRECK

SHARPE JEWELRY STORE ROBBED LAST NIGHT

Jewelry valued at $750 was taken in a bold night robbery from a show window in the W. F. Sharpe Jewelry Store Tuesday night.

Mr. Sharpe declined to name the jewelry taken but it was believed a number of diamond rings and watches are included.

The robbers crashed a heavy plate glass window after a glass cutter had failed to effect entrance. The blow that broke the glass was so violent that splinters from the plate were scattered across the floor of the display. A hole approximately six inches wide was battered through the window.

Finger prints were found on the glass and metal frame, but no photos had been made early today. Local officers were of course unable to explain the audacious robbery and no arrests had been made up to the time of going to press with the Daily Herald.

This is one of a long series of robberies committed in the City and so far no arrests have been made. The officers have been unable thus far to track down these persistent robbers of Cameron stores and offices. The last robbery occurred at noon some days ago when the law offices of Camp & Camp were entered and a sum of cash taken from the safe.

Arnold Juergens Is First Man Drawn In Draft Ceremony

Aronld Juergens of Burlington was the first man to be drawn among the registrants under Local Board No. 2 at Cameron. His order Number is 158.

The second number drawn in Washington was 192 and Louis Raymond of Cameron holds that number under the local board and he becomes No. 2 to be called.

Secretary of War Stimson drew the No. 158, the first to be drawn in the nation. Secretary of the Treasury Henry Morgenthau, drew the second number which was 192.

Under the operation of the selective law the first number drawn in Washington is known as Order Number. The holder of that number becomes the first man to be called for service.

Mr. Juergens is married and has one child. Mrs. Juergens is the former Miss Annie Slama of Cameron. They live on a farm near Burlington.

THOMAS BULLDOGS DEFEAT ROSEBUD 7-0

After losing the heart breaker to Hearne last week 12-6, the Cameron Bulldogs continued toward the championship last night by defeating the Rosebud Lions in a muddy battle at the Rosebud stadium by a score of 7 to 0.

The game was 0-0 at the end of the first half, but things began to move when the Bulldogs kicked off to Rosebud in the third quarter on their 20 yard line. After three incomplete passes the Lions kicked to the Bulldogs 45. On the first play Captain Heard trotted 55 yards standing up for the Bulldogs tally. Gipson added the point on a line plunge.

Rosebud failed to go over the Bulldog goal line from the three inch line in four trials and then the Bulldogs took over. Reeves kicked to the 45. The Lions fumbled and Bulldogs recovered from there. Reeves kicked out on the Lions one yard line.

Anderson, Gipson and Heard stood out on offense. Reeves completed three out of four passes.

The Bulldogs line was rather stubborn and yielded the Lions only three first downs while the Bulldogs ran up sixteen.

The Bulldogs go to Calvert next Thursday night for another conference game.

FUNERAL WILL BE HELD HERE FRIDAY

Miss Katherine Henderson of Cameron and Deputy District School Superintendent in the State Department of Education, was instantly killed in an automobile accident near Brady around 4 p. m. Wednseday.

With Miss Henderson at the time of the accident was County Superintendent J. E. Herrington of McCulloch County. Mr. Herrington suffered a proken left leg; broken ribs; a head and possible internal injuries.

Miss Henderson was born and reared in Cameron and was a sister of Miss Winnie Henderson, a member of the Ada Henderson School faculty and widely known teacher.

The accident occured on the highway near Brady when the car in which Miss Henderson was riding collided with another machine. In the other car were Raymond Morris who received a scalp wound; Jack Wallace, also injured; and a man whose name was given as Jowers was also injured.

Miss Henderson had been a Deputy Superintendent with the State Department of Education for more than 20 years and her headquarters were in San Angelo.

She is survived by one sister, Miss Winnie Henderson of Cameron; a step-mother, Mrs. Sam Henderson; and two brothers, Law Henderson, an attorney of Bryan and Tom S. Henderson of Jersey City, New Jersey.

A funeral coach from the Marek-Burns Funeral Home in Cameron was sent to Brady Wednesday night to return the body to Cameron for burial.

It was said here this morning the funeral will occur at 10:30 on Friday morning, the place to be announced later.

Miss Henderson is also a relative of the family of the late Mr. and Mrs. Tom S. Henderson and John B. Henderson and Miss Winnie Henderson went immediately to Brady when news came of the accident.

Clyde Franklin New Postmaster In Rockdale

Clyde Franklin, today received notice from Congressman W. R. (Bob) Poage, that he has been named postmaster in Rockdale.

Mr. Franklin has passed his examination with high grades, plus credit for his record as an ex-service man. Mr. Franklin will succeed Mrs. John Esten Cooke who has been acting as postmaster since the death of her husband, John Esten Cooke, former publisher of the Rockdale Reporter.

Mr. Franklin has been employed by the Gaither Motor Company in Rockdale for a number of years, is a prominent veteran of the World War, and former Commander of his Post.

Acrey Continues Sermons On Topics Of War Sunday

"Is It Right To Kill In War?" This question will be discussed by Rev. O. C. Acrey Sunday morning at 11 o'clock at the First Presbyterian Church of Cameron.

The pastor will disucess the historic position of the Conscientious Objector in the light of present day events and trends in thinking. Difficulties that Draft Boards and Appeal Boards will have to face as they deal with men who have conscientious scruples against the compulsory murder of men in conflict will receive the attention of the pastor in this sermon. Conscientious objectors are not always religious folk. There are politicial and humanitarian groups who object to killing men as well as Christian objectors. In the discussion of these groups emphasis will be placed upon the poignant question "Is It Right for the Christian to Kill

(Turn to page 4)

Three Way Tie In District Results From Friday Games

The Taylor Ducks, paced by Horsak and aided by a wounded Yoeman spirit, threw the district into a three way tie by defeating Cameron 21 to 6 last night in Taylor.

The Yoemen went on the field victims of a grudge decision in Belton that cost them two games they had won from Georgetown and Rockdale. Although the Yoemen should have scored 3 touchdowns, the game was a signal Taylor victory, almost a humiliating as the 40 to 0 defeat handed the Yoemen in 1939.

Bobby Hays who had difficulty keeping his feet ran the kick off back to the Taylor 20 from his own 15. In the third quarter Hays broke through and was out in the clear with 3 Yoemen escorting him and not a Taylor man in 5 yards, tripped and fell on the Duck 25 for a heart breaking end to as brilliant a play ever recorded.

Horsak, the best back, in the conference and one of the best of all time, scored 2 touchdowns and passed for another to Kautz. The lone Yoemen tally came late in the fourth when Hays passed to Tindall who ran 40 yards for the score.

Belton, Taylor and Rockdale are tied for first place in the district.

Rosebud defeated Killeen in a close game 15 to 12 while Rockdale was taking Georgetown 20 to 0.

Belton lost to Mart 25 to 7 in a non-conference game in Mart. The Yoemen take on Killeen here Friday night, November 1st.

J. P. CROUCH DIES IN CAMERON THURSDAY

J. P. Crouch, 80, died at 3:22 a. m. Thursday at the home of a daughter, Mrs. Jim Young, in Cameron.

Mr. Crouch had been in declining health for four years, but his condition did not become critical until the past week. His many friends throughout the county will be grieved to hear of his death.

On Saturday, Oct. 26, 1860, Mr. Crouch was born in Alabama. He and his wife were married 54 years ago in Alabama, living part of the time in Alabama and part of the time in Texas. She preceded him in death four years. Since her death Mr. Crouch made his home with Mrs. Young in Cameron.

He is survived by eleven children: Mrs. Albert Braden of Cameron, Mrs. Jessie Coward of Lampasas, Mrs. Jim Young of Cameron, Lonnie and Charlie Crouch of Cameron, Roy Crouch of Gause, Willie Crouch of Houston, Bob Crouch of Waxahachie, Jodie Crouch of Ferris, Fayette Crouch of Corpus Christi and Mrs. Louis Morrison of Tanglewood. He is also survived by one sister, Mrs. Emma Robinson of Mississippi.

Time of funeral services is pending the arrival of relatives.

CLASS OF 1915 WILL MEET HERE NOV. 9-10

From A Clarence Smith of Baylor University, Waco, Friday came news of the meeting here on November 9 and 10 of the graduates of the Class of 1915 from Cameron High School.

The graduates, some of whom are now dead, were distributed widely as each found his place in society and service in Texas and other states. Now, after 25 years they the coming back to Cameron, a pledge they took to hold a reunion a quarter century hence when they got their diplomas from high school here and stood at the edge of a new world.

One of the class members is Hilton Howell, Waco attorney, who will conduct the memorial service for the dead.

United States Senator Tom Connally, delivered the graduating address in 1915 and will be in Cameron for another address on the night of November 10.

The building from which the class graduated is the old Grammar School now occupied by the nursey school and the Business and Professional Women's club.

On Sunday morning, November 10 a baccalaureate sermon will be preached at First Baptist Church by the Pastor Rev. C. M. Sanders.

The public is cordially invited, especially school teachers of that period and school officials.

R. G. GRABEIN ATTENDS DALLAS CHEVROLET MEET

The largest Chevrolet dealer meeting in the history of the Southwest was held at the Baker Hotel, Dallas, October 30. Over 550 dealers, from the states of Texas, Oklahoma, New Mexico, Arizona, Louisiana and Mississippi, attended this meeting. R. G. Grabein of the Grabein Chevrolet Co., attended this meeting.

This great Chevrolet meeting was in celebration of the seventh birthday of the present M. E. Coyle and W. E. Holler adminstration and was one of their scheduled nation-wide meetings to be held in all Regional headquarter cities throughout the country. Seven years ago M. E. Coyle assumed control of the Chevrolet Motor Division, as President and General Manager, and Wm. E. Holler was appointed General Sales Manager at the same time.

Under the leadership of Mr. Coyle and Mr. Holler in these seven years Chevrolet dealers have sold retail over seven million new Chevrolet cars and trucks and maintained Chevrolet in first place in the entire automobile industry and, during the last ten years, they have been in first position nine times. The annual dollar value of merchandise sold retail by the 8,600 Chevrolet dealers throughout the United States has averaged one billion dollars per year.

At this meeting Mr. Coyle outlined Chevrolet's production plans for the new 1941 models and advised the dealers the position that Chevrolet occupies in the automobile industry today and the viewpoint and plans of the officials of Chevrolet for months and years to come.

Mr. Holler outlined distribution plans and announced that the goal for 1941 of 1,100,000 new and 2,200,000 used cars and trucks was well within the reach of Chevrolet dealers nationally whom Mr. Holler called to greatest selling organization in the country. To back up this viewpoint he called attention to the Defense program spending; increased industrial activity; better prices for farm products and increased home and general structural building are some of the favorable factors which have and will continue to contribute to the unprecedented demand for the new models and that notwithstanding the large number of new car sales the number of used cars in dealers' stocks have shown a large reduction in recent months and this is an indication most favorable for the successful merchandising of the 1941 models.

Mr. Coyle and Mr. Holler expressed confidence for an increase in 1941 business of from 10 to 15 per cent over 1940 total.

R. W. Hill, Manager of the Southwest Region, adised that the 1941 product has received the best reception by customers in the past five years and that Chevrolet production and distribution plans have been made to furnish sufficient quantities of the 1941 products to meet the great demand of the automobile buying public throughout the Southwest.

MRS. MOLLIE BONNER DIES IN ROCKDALE

Funeral services for Mrs. Mollie Hubert Bonner, wife of the late John S. ("Kalamity") Bonner, were held Saturday in Rockdale from the Phillips-Luckey Funeral Home with Rev. J. P. Love of Cameron officiating.

Mrs. Bonner died at the home of a nephew, C. M. Perry late Friday. Mrs. Bonner was the wife of the publisher of the well known and popular, "Kalamity Horpoon," that was widely read some twenty-five years ago. The Bonner family were pioneers of Milam contributing much to its history. In later years the family lived in San Antonio.

Surviving are two sons, Charles and Frank Bonner both of San Antonio, a daughter, Mrs. John Barnes of Waco, one grandson, and a number of nieces and nephews.

CARD OF THANKS

We wish to thank the Fire Department and all of those who assisted in any way when our home was recently destroyed by fire.

Mr. and Mrs. Sherwood McClaren, Jr.

Cameron Lose Three Games in One Day; To Dedicate Tilts To Robot Committee

Cameron holds the record for football losses.

Within the space of 48 hours the City lost 4 football games, 3 of them in one day.

The Yoemen lost two games to the Robot Brain Trust in Belton Friday afternoon and a game that night to Taylor. The fourth game lost was to the Hearne Black Bears by the Cameron Bulldogs.

There was a growing demand in Cameron that the next three games to be played here be appropriately dedicated. The Rosebud game to Superintendent Jones, (He is one of the Jones boys); the Killeen game to Coach Lee Peebles, and the Belton game to Superintendent Ransom.

Suggestions for appropriate reception on each occasion are coming in rapidly.

FIFTH COLUMN MAY SCUTTLE THE GREEKS

The Fifth Column—Adolf Hitler's first line of offense, was being relied upon today to scuttle Greece and to bring peace with conquest to that small Balkan Nation.

The Daily Herald learned of feverish activity on the part of the Axis powers to bring about peace with Greece through disloyal elements in the country.

It will be remembered that every country Hitler has conquered has gone the way of disloyalty from within.

The Greeks were putting up a stubborn resistance and Italy attempted to explain away the slow progress of her armies by stating the weather is unsuited to the campaign.

Despite British denials the Daily Herald learned that the navy has landed marines and soldiers on Greek Islands.

The front was quiet along the English Channel today with only occasional bombing planes over the British and German countries.

CARD OF THANKS

I want to take this means of thanking all the nurses of the Cameron hospital for the attention and tender care they have given me since my arrival at the hospital on September 17. I only weighed three pounds but now have increased to 7 pounds. I also wish to thank my physician for his service and tender care.

Little Kenneth Wayne Caldwell.

Truman Ditto and Joe Bailey visited the army camp under construction at Brownwood Sunday.

Billie Wilson, Ray Weis and Byron Graham attended the Huntsville Prison Rodeo Sunday.

FRANK SHAFER, SR., DIES AT PIN OAK

Frank Shafer, Sr., 63, died at 6:35 a. m. Thursday at his home near Pin Oak.

Mr. Shafer had been ill for two years, but not critically so until seven weeks ago.

He was born and reared at Pin Oak and had been a leading figure in his community all his life. He and a brother, Alex were the only sons of Mr. and Mrs. Alex Shafer of Pin Oak.

He had many friends over the county, for to know him was to love and respect him.

For the past seven weeks Mr. Shafer's sons, Frank and Shack, never left his bedside. The other children were with him since last Friday.

Mr. Shafer is survived by the following: his widow, Mrs. Johnnie Bill Shafer; four sons, Frank, Jr., of Pin Oak, Homer of Humble, Bob of South Houston and Shack of Pin Oak, six daughters, Mrs. S. P. McClure of Freeport, Mrs. Earl Angell of Cameron, Mrs. Homer Stevens of Gause, Mrs. Johnnie Doss of West Columbia, and Billye Jean and Shirley Ann Shafer, and one brother, Alex Shafer of Pin Oak.

Interment was made in the Pin Oak Cemetery at 3 p. m. Friday.

KOSTROUN-JISTEL

Miss Gertrude Jistel of Cameron and Jerry Kostroun of Marak were married in a single ring ceremony performed Wednesday at 8 a. m. at St. Monica's Catholic Church with Rev. George Duda, officiating. The bride's only attendant was a sister, Miss Louise Jistel, who wore a lovely royal blue taffeta floor length dress and carried a bouquet of yellow talisman rosebuds. August Kostroun, cousin of the groom, was best man. The bride was beautifully gowned in a white satin wedding dress over which she wore a finger tip veil of white slik which draped from her head fashioned in cap design, with pearls and dainty flowers clustered about the face. The dress was cut with a fitted waist with lace yoke and collar, and tiny covered buttons from the neck to the waist line. Her wedding bouquet was of white carantions and bridal wreath tied with white satin streamers. A wedding dinner was served at the home of Fred Jistel father of the bride, for the close relatives. Following the dinner the couple left for a short trip. Upon their return they will make their home in Marak where the groom is engaged in farming. He is the son of Mrs. Joe Kostroun, Sr., of Marak. Mrs. Kostroun is a graduate of Yoe High School.

The Midget covers the city daily

Dock, German Sheppard, and Deputy Marshal Is Dead; Knew Much and Lived Useful Life; Gene Smith Mourns Loss of Faithful Dog Companion

Dock, German Sheppard dog, for years faithful companion of his master, Gene Smith, city marshal, is dead.

Dock was 11 years old.

He was a Deputy City Marshal, took his job seriously and patroled the streets at night as well as day and was otherwise a useful and intelligent dog.

Dock had been ill for some time. Early this morning Dr. David Smith who gave Dock to the city marshal, about 10 years ago, took the aged dog to the city barns where chloroform was adminstered to insure humane and peaceful death.

Last year Dock, always a good figther, was badly mangled one night in a fight with a number of dogs who ganged him. He came home next day and never was able to leave except for occasional rides with Gene.

They bought Dock a lot of permanent bandages, body supports and the like, but he never could regain his strength.

Dock had worked hard for 10 years. On winter nights he walked along the dreary streets with Joe Richter, night marshal. He was big and strong but often caught cold and had pneumonia.

Employes at The Herald office in winter always found Dock waiting to get in and warm a bit before resuming his rounds. He was as much a policemen as possible for a dog to be. He captured escapees and ran down men who resisted arrest and kept a sharp lookout every hour of the night and day.

"We always had trouble keeping him in at night so he could rest," said Gene Smith, marshal, deeply moved this morning when he told the Herald that Dock was dead. "I reckon I will never have another dog. I don't suppose I could ever get another one like Dock."

Few sentiments in life have been stronger than the love of a man for his dog. Life has yet to evolve devotion greater than the love of a dog for his master.

Dock was one of those kind of dogs men liked to own. He generally knew more than a lot of people we have seen. He took life in both happy and serious vein. Friendly yet fierce, possessing great intelligence he was a credit to his breed.

Dock died early Friday. If he remembered anything at all he must have been comforted with the thought that the hands of almost every human being in Cameron had at one time or another touched his massive head and body with an affectionate stroke of admiration.

If at times humanity forfeits the respect of its kind, we have still left with us the memory of good dogs.

U. S. WARNS FRANCE NO FOOD WILL BE SENT

In a further warning of the Axis powers President Roosevelt today warned the government of France at Vichy that the United States will tolerate not even the slightest gesture which would indicate a change in the status quo of the Western Hemisphere.

The warning was believed to have resulted from intensified feeling that France in making a statement for final peace with Germany may yield territory or permit the use of bases in French territory in the Western Hemisphere.

The United States Government today notified France that if the Vichy government yields to Hitler and gives Nazi air and naval bases in Africa for war on Britain, the French people must not expect aid from America when the famine in Europe comes.

No shipments of American foods will go to France if the government of Marshal Petain signs with Hitler on any measure of co-operation against the United States and Britain.

This development came on the heels of another move on the part of the United States that may lead to seizure of French possessions in the Western Hemisphere off South America where in the island of Martinique 100 American bombing planes sold to the French Government were aboard ship in the harbor.

These planes were sent to Martinique within a few hours after France had collapsed and surrendered to Germany.

British war ships have been off the harbor for months watching the ship carrying the planes. The United States Government recently asked their return. They will now be seized.

British bombing planes roared over the Reich last night and death and destruction were reported in Berlin where many people were killed and great damage and loss of life in Hamburg.

Renewed air raids on London were reported but there was no indication of the extent of damage.

There were reports that decision between France and Germany on the vital question of final peace, will be made within a week.

The presence of Italian bombing planes over London gave force to the belief that the battle of Britain may now be on in earnest and co-operation is forthcoming from the other end of the Axis.

German air losses may be responsible for Italy's part in the fast and furious war over the British Isles.

HOLD MEETING THURSDAY

Membeship of the YWA increased Thursday night when Mrs. Vernon Collins, Gladys Pierce and Ada Margraret Smith joined the group. The young women dressed dolls for Buckner Orphan Home during the entire evening. Mildred Thornton gave the devotional. The hostess, Mrs. Woodrow Lowe, served a salad plate to her guests.

SHRUBS FOR CEMETERY

The Cameron Oak Hill Cemetery Association urgetly requests you to donate any surplus of evergreen or flowering shrubs or trees you may have from your fall planting in your own yards, and thus beautify what belongs to each of us in part.

Any donation will be received with thanks by Mr. Brown who takes care of the planting at the cemetery.

Please meet with the Cemetery Association on Friday at 4:00 p. m. at the Commercial Club rooms. We need your interest.

RED CROSS WORK FOR WOMEN

Women of Cameron who wish to help with War Relief sewing or knitting are asked to attend a meeting called for next Tuesday, October 29, at 3 o'clock in the basement of the First Methodist Church.

Information and instructions regarding Cameron's quota, will be given at that time.

Mrs. Ben Winfield has been named chairman of the production committee but is absent from the city due to illness. Mrs. J. P. Love will conduct the meeting in her absence.

Mrs. W. T. Hefley will be co-chairman with Mrs. Ben Winfield in Red Cross Production work.

Ernest Shelfer spent the week end in the H. N. Tate home. Mrs. Shelfer and sons accompanied him to Palacios where he is employed in the army.

Mr. and Mrs. Conn Moody and Mr. and Mrs. Earl Burke were visitors in the home of Mrs. Frank Thomas of Waco Sunday.

ADVISORY BOARD MEN ARE NAMED BY GILLIS

Members of the Advisory Committee have been named by Judge Graham Gillis to assist men in the military conscription age in filling out questionaries to establish their status before local draft boards.

E. A. Wallace, Cameron attorney, who was head of the draft board during the world war, is the lawyer member of the Board and Associate Member.

Judge Gillis has mailed out notices to members of the committee requesting they attend a meeting in District Court Room at Cameron on Wednesday afternoon, October 30th. Duties will be explained at this meeting and members will be sworn in.

The members of the Advisory Board of which Judge Gillis is chairman, are as follows:

Cameron—A. J. Lewis, M. G. Cox, O. L. Kidd, John Watson, W. C. Wallace, E. A. Camp, Roy Baskin, F. S. Lesovsky, W. A. Morrison, Nelson Green, H. E. Graham, August Kunz, Emmett Streetman, Chas. E. Allday and Ray O'Neill.

Jones Prairie—Tom Stidham, Jones Prairie and H. P. McKinney, Cameron, Rt. 2.

Baileyville — Frank McMillion, Cameron, Rt. 2.

Belmena—Clyde Hensley, Cameron Star Rt.

North Elm—Sam Clark, Cameron Rt. 1.

Names Advisory Board

JUDGE GRAHAM GILLIS

HEALTH OFFICER IS NAMED FOR CAMERON

The City Council has named Dr. T. E. Crump to serve as City Health officer of Cameron to replace Dr. A. S. Epperson who recently moved to Houston and is employed at a down town clinic. Dr. Epperson served the city of Cameron for a number of years in this capacity.

Charles C. Heath, student of Sam Houston State Teacher's College, Huntsville is spending the week end here with his parents.

DR. J. N. WHITTLE DIES AT GLADEWATER HOME

Dr. J. N. Whittle, prominent Gladewater physician, died early Friday morning, it was learned here today.

Dr. Whittle died at 1.10 a. m. He had been in declining health for more than two years.

Mrs. Whittle was the former Miss Ruth Sprinkle of Cameron The Sprinkle family was prominent in Cameron, the father being a widely known business man. She was a music instructor in Cameron for a number of years. She is a sister of Mrs. Charles Sprott of Waco, an aunt of R. B. Pool of Dallas and has many friends who will be grieved to know of the loss of her husband.

FRIDAY NIGHT CLUB MEET

Mr. and Mrs. Earl Burke entertained the Friday Night Club this week. Mr. and Mrs. Young and Mr. and Mrs. A. H. Baskin were guests of the club. Prizes in bridge were won as follows: Mr. and Mrs. J. L. Calloway received first; Mr. and Mrs. Henry Siebman won low; and traveling prize was given to Mr. and Mrs. A. H. Baskin. Mrs. Burke served a salad plate to her guests.

Retid Rogers of Hearne was a visitor in Cameron Sunday.

Irene O'Neill and Ruth Marek visited in Hearne Sunday afternoon.

GAS COMPANY AGAIN WARNS AGAINST COLDS

Dallas, Oct. 15—Heating habits are as important in safeguarding the family's health throughout the winter as eating habits, the gas company warns its customers.

"Winter presents a threat to the whole family's health, using the common cold as an advance guard to open the door for pneumonia, influenza and other serious respiratory ailments," the company points out. Scientific tests prove that the most important step in preventing colds is to regulate room temperatures properly and provide a circulation of warm air throughout the home. Because of its flexibility, the ideal heating fuel is gas. Floor furnaces, gas steam radiators, circulation and central furnaces are the best examples of modern vented gas heating equipment and each type offers an invaluable h lth protection insofar as he g is concerned. V t produces e d ever'

Sneeze "Germs" Hunt New Victim In Big Hurry

Pittsburgh, Sept. 30 (AP).—The air hygiene foundation reported today that common cold germs propelled by a sneeze, hunt new victims at a speed of better than 100 miles an hour.

"An unstiffled sneeze sprays the air with thousands of droplets, some of which travel 12 feet and at a rate as high as 50 feet per second," said a foundation bulletin.

It warned that the so-called "common cold" was the greatest health problem in industry, adding that health protection of workmen was especially essential during the present stepped-up period of defense production.

City Str... By Epidemic of Flu, Pneumonia

Fills Hospitals and Confines Many to Homes; School Attendance Cut

A wave of influenza and pneumonia, sweeping over the city during the past few days, had filled hospitals, confined many others to their homes, and cut down on school attendance Thursday.

It was difficult to get beds at Parkland and St. Paul, according to reports from those hospitals Thursday, and others in the city were crowded to near-capacity. Officials at Parkland said that 12 cases of pneumonia had been brought there during the past three days.

12 Per Cent Absent

Dr. J. W. Bass, head of the city health department, said reports to his office showed that 12 per cent of the school children in Highland Park and University Park were absent because of illness.

Be Careful of Colds

Specific advice offered by Dr. Bass was: "When you get a bad cold, go to bed and call a doctor. Avoid exposure even with a mild cold. Whether you are sick or well, don't go from a warm room into the cold. Don't let your body get chilled, particularly if you are fatigued.

Nation's Flu Chart Going Higher Rapidly; Doctors Warn of Complications

Washington (AP)—The "G-men" who help guard the nation's health are watching a sharply climbing curve on a chart at headquarters of the public health service.

It tells them that Public Enemy Flu is on the loose—that this winter's wave of the mysterious chill-fever-ache malady is four times bigger than the average.

New cases of influenza ... for the first week of 1940 ... some 19,000 as comp... five-year medium ... sponding week of ... more than a month ca... increasing at an acc...

Public health ... is no cause yet for ... In the 1932-1933 epid... new cases were reported ... week of 193... break 200 ... sponding ...

They ... "the s... ing" ... al...

...h au... all ca... should ...entially serious.

That is mainly because of the danger of complications such as pneumonia and streptococcic infections.

Medical science has found no specific remedy or preventive for influenza and its first cousin, the common cold.

Flu is a suave faker. Even physicians cannot always diagnose individual cases, influenza or grippe in its early stages frequently being distinguishable from a cold. To ... people the only difference is ... severity.

...ous vaccines, serums, pre... medicines and even alcoholic ...ges have been urged as in...a preventives. The public ...th service says there is n... evi...ice that any of the ... ard ... the infection a... be ...efinitely harmful.

Man is the carr... the fact that ...

...storehouses of ... quently succun... ed exertion.

HEALTH DEPT. WARNS AGAINST WINTER COLDS

One Death Every Four Minutes From Pneumonia

With the approach of winter city health authorities urge all citizens to play safe and guard against winter illnesses resulting from the common cold. A cold is an internal infection and unless treated promptly and seriously may turn into something worse. According to published reports, there is a death every four minutes from pneumonia traceable to the so-called "common cold."

The nation's sneezing bill each year reaches the staggering total of $100,000,000 for treatment of common colds. More than two million wage earners in industry, stores and offices are sick for at least eight days due to common colds, sinus infection, sore throat, influenza and pneumonia that follow or began as colds. Lost time and treatment costs caused by the common cold are estimated at two billion dollars annually.

Local doctors point out that sudden changes of temperature can be expected soon and special effort should be made to safeguard against catching cold. Any sudden change of temperature permits the old germ to become active.

...AS COMPANY STUDIES COMMON COLD THREAT

Average Family Has Three "Colds" Per Year

How to help more than a million people lower the national average of three colds per person this winter was one of the chief problems studied at a meeting of the gas company managers here this morning.

"Doctors and health authorities, who cooperated with the company in preparing education information given at the conference, agreed that many colds so prevalent in this section of the country are caused by stuffy, overheated rooms," according to D. A. Hulcy, president of the Lone Star Gas System.

"Our surveys show that many of our customers are not getting proper benefit from their present heating equipment, due to the unhealthful habit of living in one or two rooms during the winter season," Mr. Hulcy said. "Occupants of these homes are not only subjecting themselves to exposure to catching cold by going from warm rooms to unheated parts of the house, but are also in danger by remaining in the overheated and usually poorly ventilated rooms. Scientific tests prove that the most important step in guarding against colds is to provide adequate ventilation, regulate room temperatures properly and provide a circulation of warm air throughout the home."

For several years the gas company has been engaged in research concerning the common cold and the relationship between adequate heat and health conditions during the winter season. Findings from these investigations have been endorsed by leading doctors and health authorities throughout this section.

Heat Your Entire Home

...for your health's sake this winter

Any health authority will urge you not to give a common cold an even break. Frequently simple colds develop into dangerous illnesses. Any sudden change of temperature—*such as occurs when going from a warm room into a cold one*—makes it easy for you to "catch cold." That is why it is important to heat your entire house and provide adequate ventilation during the short winter season.

Supplying Natural Gas to Your Local Distributing Company

ITALY SAYS RUSSIA APPROVED INVASION

The Italian Army rolled on into Greece today as Rome claimed an understanding with Russia.

According to reliable sources in Rome reports that Russia had protested to Rome and Berlin, were ridiculed with the statement that the Italian attcak on Greece has the approval of Soviet Russia.

Turkey, it became known today will remain neutral. This means that trickery is still the best trump card in the affairs of nations.

Greece, a small country, will be torn and conquored in 3 weeks.

The British government, although promising every possible aid will be "too late and too little," with help. British warships are reported in Salonika and troops are said to have been landed. If the British can get into Greece with enough troops the Italian advance may be slowed down.

Germany was reported today to have more than a million troops of all classes in Rumania ready to march against Turkey.

Germans have also hurried troop concentrations on the Soviet border in Poland.

The Daily Herald learned the Germans are preparing for a grand push into Spain for an attack on Gibraltar. Mussolini and Hitler were in agreement as to Spain.

Russia was reported to have concluded an agreement with Turkey to give armed assistance if the Turks are attacked.

Turkey was believed definitely out of the picture so far as Greece is concerned because Russia, working with Germany and Italy has in fact effeted neutrality and forced Turkey to abandon Greece. Informed neutral quarters believed that Hitler had scored another triumph by bringing Russia on his side, at least to the extent of taking Turkey out of the way.

It was believed that if Germany attacks it will be in the direction of the Dardenelles through Bulgaria.

The extent of aid by Great Britain to Greece will no doubt determine whether Turkey would feel safe in getting in on the side the English.

Turkey and England are bound with mutual assistance pacts in case war spreads to Southeastern Europe. Turkey would not go through with the alliance unless Russia consents.

The first line of Greek defenses were reported broken by the Italians. The Greeks only said they were putting up stout resistance. The Italians had penetraetd 9 miles into Greek territory.

Russia is said to have agreed to assist Turkey in case Germany or Italy attacks. There was no confirmation.

The air war continued with the British bombing with great damage 7 German held ports across the channel.

Another Charge Filed In Country Club Series of Fights

Charges aganst B. L. Miller for an affray have been filed in the Court of Justice Womack Brashear growing out of a recent disturbance at the Cameron Country Club which has been closed on order of the Liquor Control Board.

Miller engaged in a fight with J. P. Sparks, former candidate for representative, at the club and charges were filed on October 17, but a warrant had not been served.

The Country Club was closed after an investigation by the District Attorney and it was disclosed today a number of fights had been engaged in between patrons of the club.

Ben Yager, student of Texas University, is visiting relatives and here this week end.

Mrs. H. N. Tate spent several days last week in Dallas and Fort Worth.

BRITISH DENY ANY HELP GIVEN GREECE

Bitter fighting between Italian and Greek armies near the Albanian border today indicated that Greece is determined to resist the invasion of the country.

Resistance of the Greek forces was strong enough to require reinforcements for the Italians.

Greece has been abandoned by Turkey and is figthing the battle alone.

From London came denials that British troops have been landed anywhere in Greek territory, and characterized as German propaganda the statement that fighting is under way between British and Italians.

This was typical of the support which Britain has given to every nation to which a military guarantee was made. Previous reports indicating activity on the part of the British navy or armed forces may be premature. What the British intend to do apparently has not been disclosed.

Soviet Russia whom the Italians claim has indorsed the invasion of Greece, had made no move nor was any statement forthcoming from Moscow.

In the slightly worn conflict in the air, Berlin was bombed and London was bombed.

THE STATE OF TEXAS
To the Sheriff or any Constable of Milam County Greeting:

E. C. Fischer, Administrator of the Estate of William Richter, Deceased having filed in our County Court his Final Account of the condition of the Estate of said William Richter, numbered 3199 on the Probate Docket of Milam County, together with an application to be discharged from said Administration.

James Terry Is Severely Injured

James Terry of Yarrellton, Yoe High School student, was severely injured at noon today when he fell into the panel of a glass door at the high school gymnasium.

Terry was running at the time and playing with other boys when he lost his balance and crashed into the door. His left forearm near the elbow was badly cut. He was taken to the Cameron hospital.

Advisory Board Members Meet Here Wednesday Afternoon

Members of the Milam County Advisory Board under call of Chairman Judge Graham Gillis convened in District Court room in Cameron at 2 o'clock today to study the questionaire which must be filled out by each registrant.

Members of the Draft Boards of Milam County were also in attendance. The questionaire is an eight page document and the information contained therein will form the basis of classification of all names to register in the draft.

Members of the Advisory Board have been named to assist registrants to fill out these questionaires.

Members of the Draft Boards will not be required to fill out any of these questionaires and every man who registered on October 16th will find a member of the Advisory Board conveniently located in his own community.

Mr. and Mrs. Edwin Bigbee and daughters, Billye and Beryl of Palestine spent the week end in the home of Mr. and Mrs. Lottie Bigbee.

J. L. Stacener and J. F. Stacener, both of Gause, were visitors in Cameron Saturday.

3-Way BEER TEST

RANCHER SAYS THEY ALL PICK Southern Select

Let Your Guests Try It!

A good many people drop in to visit with Newman Patterson—and he knows how to make them enjoy themselves. He serves them Southern Select—but read what he says:

"I have a lot of fun giving the Southern Select 3-way beer test to my guests. Lots of 'em say there isn't any difference in beer—that is, until they compare Southern Select with some other brand for delicate aroma, finer flavor and absence of after-taste. Then they all say Southern Select has a big edge and thank me for putting them wise."

Thousands of Texans are finding out about that wonderful Southern Select flavor. After all, Southern Select is the only beer in the South brewed with distilled water, only finest all-grain ingredients are used and every drop is aged for months. Order Southern Select!

Trueasure Hunt At Whatley's Grocery On Friday Morning

Fifty prizes are awaiting treasure hunters in the Whatley Grocery Friday morning, acontinuation of the 6 weeks of free gifts which he announced two weeks ago.

Today's issue of the Cameron Daily Herald contains the announcement and each copy is numbered. Somewhere in Whatley's store Friday morning, 50 packages will be numbered.

All you have to do is to take a copy of the Midget to the store and find the corresponding number on a package and the gift is yours, free of charge.

Mr. Whatley said on Friday morning 150 women were in his store at one time.

"Build-Up" Important Protector of Women

A weak, undernourished condition often enables *functional dysmenorrhea* to get a foothold; thus leads to much of woman's suffering from headaches, nervousness, and other periodic discomfort.

CARDUI'S principal help for such distress comes from the way it usually stimulates appetite; increases flow of gastric juice; thus aids digestion; helps build energy, strength, physical resistance to periodic pain for many.

Another way, many women find help for periodic distress: Take CARDUI a few days before and during "the time." Women have used CARDUI for more than 50 years!

Gooch Was Eligible Under the Law; Wide Spread Conspiracy To Wreck Yoemen Team Disclosed; Sculduggery and Illegal Procedure Is Found

Growing belief that Cameron had been made the victim of a wide spread conspiracy to wreck the Yoemen for 1940 was held here today as evidence continued to pile up concerning the meeting in Belton last Friday when J. P. Gooch, guard on the team was held ineligible.

In order to give the complete picture of what transpired and to acquaint the citizens and at the same time to fully appreciate the fight made by Seperintendent E. A. Perrin and members of the Athletic Council under heartbreaking circumstances, it has been necessary to make some investigations.

The Herald had hoped to present the entire picture of the perpetration but due to the fact that only today did information reach the office it will be necessary to discuss this matter at length in another publication.

More light shed on the star chamber proceedings in Belton last Friday when J. P. Gooch, Yoemen guard was declared ineligible outside the book of rules, reveals an amazing resort to sculduggery, to say nothing of open violation of the law itself.

To bolster the Cameron case it has been found that no law exists whereby Gooch could be declared ineligible for the simple reason that he was ineligible under the law itself.

It has also developed that in their haste to discredit the Cameron school and to wreak vengeance for action taken against Belton two years ago for an open violation of the rules, the Committee which sat in Belton on last Friday, was illegally constituted and without warrant and its actions can so be held under Interscholastic League Rules.

Here is a significant comment by Albert Collins, member of the Athletic Council who sat in on the Robot meeting in Belton on Friday:

"Superintendent Jones of Rosebud, right to sit in on the Committee should have been contested before the meeting was over as his mind was entirely made up before he entered the room and he further expressed his opinion long before the evidence was submitted.

"The decision of ineligibility was purely a personal hatred of the superintendents for each other and made the Cameron Yoemen victims of their hatred."

SHELLEY-POWELL

Miss Dorothy Powell became the bride of R. C. Shelley of Fort Sulphur, La., on Wednesday, October 23 at 9 a. m. Rev. McCary, pastor of the Methodist Church of Buckholts, performed the ceremony. Mrs. Shelley is the oldest daughter of Mr. nd Mrs. Hugh Powell of Ad Hall. he was a 1939 graduate of Yoe High School and also attended Hill's Business University in Oklahoma City. She was formerly employed by the AAA office in Cameron. Mrs. Shelley was attractively dressed in a navy street dress with black accessories. Mr. Shelley is the only son of Mrs. Mabel Tabor of Port Sulphur. He is employed by the Sulphur Company of that city. The couple left immediately for Port Sulphur where they will make their home.

Charles Roy Law, a student of Texas A & M College, spent the week end in Cameron with relatives and friends.

CAMERON BOY TO TAKE PLANE MECHANICS COURSE

Floyd F. Hatch of Cameron has been selected to pursue a course in airplane mechanics at the California Flyers School, Los Angeles, according to an announcement by the commanding officer of Hamilton field, California.

Hatch, who is the son of Mr. and Mrs. C. V. Huffman of Cameron, was born in Cameron and attended high school here, graduating in 1939. He enlisted in the air crops at Randolph field in Oct. 1939, and has been at the west coast air base since September 10, 1940.

Mr. and Mrs. Elmer Price visited relatives in Kosse Sunday.

Miss Virginia Smith and a friend, both students of Sam Houston State Teacher's College in Huntsville, are visiting in the home of Mr. and Mrs. Charles C. Smith.

Ed McAtee of Burlington was a Cameron visitor Saturday.

ROCKDALE IS BLAMED FOR YOEMEN SCUTTLE

Cameron today had pinned the responsiblity on Rockdale and Superintendent of Schools, S. C. Miles, for the disaster which overtook the Yoemen team in the action of the Distict Committee in Belton Friday when J. P. Gooch, Yoemen guard was declared ineligible.

When the question was first raised last week, the Daily Herald was told that S. C. Miles of Rockdale and R. L. Hiles, Superintendent at Georgetown, had stepped aside in a show of sportsmanship.

Members of the Cameron Committee have a different view of the situation now.

They charge Miles of Rockdale with failing to go through with a converstation between himself, E. A. Perrin and J. R. Hays of the Cameron committee; and Superintendent Hiles of Georgetown showed up as the prosector in the case, although not a member of the committee that voted the destruction, without warrant in law, of the Yoemen team.

Developments in the case, as reported by a member of the Athletic Council discloses that S. C. Miles of Rockdale, made a visit to Rosebud in connection with plans to bring charges that Gooch was ineligible.

It was also disclosed here that Miles came to Cameron early in the fall to question the methods of the Athletic Council in obtaining Gooch as a member of the 1940 squad.

It was subsequently proven false that charges that led to the wrecking of the Yoemen team, originated in Taylor. The work of destruction, according to the Cameron Athletic Council, originated in Rockdale.

It must be born in mind that J. P. Gooch is a Cameron boy, not a Rockdale boy. He never lived in Rockdale at any time. His parents moved to Rockdale but Gooch wanted to attend school in Cameron.

Gooch was held ineligible because he registered and was given class assignments. He did not attend school.

The Committee that voted to declare Gooch ineligible were as follows: C. B. Ransom, Superintendent of Belton Schools; Coach Lee Peebles of Killeen and M. E. Jones, Superintendent at Rosebud.

Explanation of the prime responsibility for the disaster was deemed necessary here because advance appreciation for what was represented to be sportsmanship, if not an outright conviction that there was no basis for the question of eligibility, has been proven underserving.

Considerable space will be necessary to review the case. The people of Cameron want to know the facts and The Herald will give them.

It must be remembered that the Interschalastic Leogue Rules do not declare Gooch to be ineligible. He was eligible and Cameron has been made the victim of hatred and prejudice.

The committee was not given a respectful hearing. The Committee had reached a verdict already. No evidence was considered.

A pioneer west Texas judge is credited with originating this unique method. To the prisoner he said: "We are going to hang you tomorrow. De you wish a trial today."

If Winston Churchill should ask Adolph Hitler to give a ruling on whether the Britsh fleet should be withdrawn for the high seas the verdict would be no less certain in advance than that one on Friday when the Yoemen were scuttled outside the book of rules.

LEISURE CLUB

Mrs. William Sell was hostess to the 42 Leisure Club on Thursday. Guest for the afternoon was Mrs. Bill Balhorn. Mrs. John Matyastik won first prize; Mrs. Henry Dakel received second high; and traveling prize went to Mrs. Aronld Juergens. Cut prizes were received by the following: Mrs. Jim Crouch, Mrs. Leo Laake and Mrs. Matyastik. The rooms of the home were beautifully decorated with autumn leaves. Angel food cake, jello and cocoa were served by the hostess.

POSTED NOTICE

Anyone who violates these provisions will be prosecuted to the fullest extent of the law.

2tp FRANK GELNER.

Volunteers For One Year Service Must Wait Questionaire

New regulations received by the Local Draft Board today may facilitate handling of men who want to volunteer for one year of service.

Under the new ruling men who volunteer must wait until they have received a questionaire and be classified by the board.

Men who want to volunteer may be given preference in the first call, even though their names are not among the first Order Numbers who qualify for service. This information was brought to members of the local board by Major Taylor of the Selective Service Headquarters in Austin early Tuesday.

No enlistments in the Army, Navy or Marine Corps will be accepted now for less than 3 to 6 years, it was announced. All men who enlist for regular service in the army will have to serve 3 years and in the other branches 6 years. Exceptions are made in case of men who are qualified for specialized branches of the service.

A number of men are waiting the draft, wishing to volunteer. They will have to wait until the call is made, the quota set and questionaire filled out and classification made.

Under present requirements for the first draft the Local Board would furnish 88 men. Credit may not be given for enlistments already made, said Major Taylor as Washington has not made specific rulings except to say those already enlisted may not necessarily affect the first quota call.

TWO GAMES FORFEITED

J. P. Gooch, first string guard of the Cameron Yoemen, was declared ineligible by a Committee of the District in Belton early this afternoon.

The Committee held that Gooch had registered in Rockdale high school and had attended an assignment class for 15 minutes and therefore is ineligible to play football for Cameron.

The contention of Cameron school authorities was that although Gooch had registered he had not actually attended classes.

Cameron, by reason of having played an ineligible man, forfeits the Rockdale and Georgetown games. This means that Rockdale will be given credit for the game thy lost to Cameron and likewise will Georgetown.

* * *

The destiny of the 1940 Yoemen team is in the hands of three men.

The time is 1:30 p. m.

The City is Belton.

Although no protest had been filed with the committee up to the hour of the conference, it was learned by the Daily Herald that the question raised over eligibility of J. P. Gooch, Yoemen guard, originated in Taylor. The Yoemen go to Taylor to play tonight. It will be well to remember where the protest originated.

When the question was raised whether Gooch was eligible because he had registered in Rockdale High School on Friday but never attended classes, Cameron school authorities, led by Superintendent E. A. Perrin, made an exhaustive investigation. He was joined by Coach Carol Wood and J. R. Hays of the Athletic Council and W. C. Wiese, Principal at Yoe High School.

A meeting of the district committee was called.

Cameron got a break when two of the members were generous enough and showed sportsmanship enough to step aside and yield the decision to others.

Cameron has not yet played Taylor, Killeen or Rosebud. Having defeated Rockdale, Superintendent Miles felt that he should not serve when a question of eligibility might result in favor of the Tigers if decided adversely for Cameron. Superintendent Hiles of Georgetown, for the same show of sportsmanship also declined to serve.

As a result of this shift on the committee Superintendent Bobbins of Taylor; Seperintendent Lee Peebles of Killeen and Superintendent Jones of Rosebud, will decide whether the Cameron guard is eligible or disqualified as a result of having registered at Rockdale.

The Interscholastic League Rule is rigid on proselyting football material. Once a student begins classes he cannot transfer to another school and become eligible for football or any other form of athletics.

A case on record was at first certified in the inquiry. A student from Marathon went to Alpine and enrolled, attending classes for two or three days. He was held ineligible when he returnd to Marathon and report for football.

J. P. Gooch, first string guard, registered in Rockdale high school on Friday, September 4. He did not attend classes, but on Monday entered Yoe High School. The question list close but certainly not conclusive as the Marathon-Abilene case was.

The committee sitting in Belton this afternoon may well serve to dissolve such technicalities by declaring flatly that registration does not constitute attendance and in the future when similar situations arise the law will be plain.

If the committee should hold that Registration constitutes attendance, a vast complication might arise

The rule is a good one. Football players are a pawn in the most intense quest known to modern day athletics. Students should not and have not been permitted to play for two schools in the same season.

On the outcome of the committee find depends the chances for the Yoemen. If Gooch is held ineligible Cameron would forfeit both the Rockdale and Georgetwn games. If Gooch is eligible he will be in the line at Taylor tonight.

'For your every need'

CAMERON, TEXAS

BRITAIN MOVES NAVY INTO GREEK PORTS

War spread into the Balkan countries today as 200,000 troops began an invasion of Greece.

The Daily Herald heard at noon that Soviet Russia following a two hour conference between Premier Molotov and the Turkish ambassador had sent a protest to German over the invasion.

Great Britain moved swiftly to back up her alliance with Greece by sending warships and soldiers to the isle of Crete and it was said a number of smaller islands along the Greek coast had also been seized by the British naval forces in the Mediterranean. English soldiers have been landed in Crete.

The Italians attacked Greece 30 minutes before a 3 hour ultimatum had expired, in which the Italians hand demanded Greek territory and free outlet to the port of Saloniki. This demand was believed to envision a thrust at the British in the East and may be the forerunner of an attack on Suez.

Russia will now be revealed in her true light. Informed people have never believed Russia would defend the Balkans. On the contrary Russia is working with both Germany and Italy and Italian troops moved into Greece only after an understanding had been reached with Russia.

Turkey with a mutual assistance pact with Greece was not yet in the war. Would Turkey go to the aid of Greece? Belief spread quickly that Russia had neutralized Turkey and had done a good job for the Axis powers.

Greece, a small country, was moblizing ever man available. Even the small Greek air force had challenged the Italians.

Greece will be beaten in a few days unless Turkey comes to the rescue or Russia decides to move in on the Axis. Neither contingency was admissable on the face of developments.

There was no increased activity in Africa but London was being attacked with renewed vigor by the German air force.

According to a broadcast Italian troops had penetrated 6 miles into Greece, but many details were lacking.

On the whole the world opinion was that the war had taken the long expected turn into Southeastern Europe the Balkans and Mediterranean area.

Hitler, Mussolini and Petain for the Government of France, were in conference today at Florence, Italy. Big events were ahead for the world.

In the meantime Britain, now fighting alone, was too late and too little in her aid to Greece. The Greeks were following the policy of all small countries delaying asking for aid until the Axis powers had gobbled them up. Greece made a formal request of Britain for aid but none went to Turkey.

The next few hours should serve to prove beyond any question what Russia's immediate plans may be.

Thomas Bulldogs Defeated by Hearne

The O. J. Thomas Bulldogs took such a beating Friday night from the Hearne Black Bears that it looked for awhile that the visitors might escape with the goal posts.

Only once during the entire game did the Bulldogs show any of their best season form. They scored a quick touchdown on line plays in the early part of the third quarter.

It looked like the Dogs were on the march but Hearne quickly took the offensive and scored a second touchdown to make the game: Hearne 12; Cameron 6.

The Bulldogs were outplayed every minute of the game, except for a brief show of strength in the third quarter.

Hearne scored a touchdown in the second quarter in a series of passes which held the Bulldogs helpless.

WOODMEN CIRCLE PARTY

The Cameron Woodmen Circle met Tuesday afternoon in the Knights of Pythias Hall for a social hour in the form of an old fashioned country school. Mrs. John Hause acted as teacher. Visitors were Mesdames Dan Gunn, L. F. Slama and a Mrs. Turner. Guffys' old blue back speller was used in a spelling contest. Mesdames Gunn and Tate gave readings which were especially enjoyed by the group. At the close of school, a basket dinner was served.

HOLD MEETING

Alpha Eta Chapter of Beta Sigma Phi met at the home of Dorothy Kidd on Monday night for a regular meeting. Plans for Red Cross work were presented. This activity will get under way immediately. Ada Margaret Smith was in charge of the program entitled "The True." Outlines of the new course of study, "Paths of Loveliness" were distributed. A sing-song of sorority music was enjoyed and the hostess served a light refreshment course.

Allah Marie Black of Port Arthur is visiting relatives in Jones Prairie.

HOST AT DANCE

The Catholic Youth Organization of Cameron was host to the District CYO Clubs here Tuesday night when they entertained with a barn dance. Youths from Marlin Bryan, Rosebud, Burlington, Temple and Taylor were among those represented.

H. J. Litzman and George Kalfus of Burlington were visitors here Monday.

Walter Marek, Jr., spent the week end in Burlington with his parents, Mr. and Mrs. Walter Marek.

**For Liberty and Freedom, yes—
but they need land!**

American's first hundred years saw it a refuge for the victims of persecution, both religious and economic. They came to America for Freedom, and they chose America because there was land. You had to own land before you could be free. They built the Democracy that made all men free, knowing that land gave them power to do so. The ownership of land is now a strength in our Democracy; participate in it!

LAND IS WEALTH

Once you had to be a landholder to vote. Once ownership of land was a requisite for the rights of citizenship. Now all of us take part in our government, but the yearning for the land has not left our people—learn the security of owning land. . .

Rotarians See Color Film From Santa Fe Railroad

The Cameron Rotary Club viewed with interest today a color motion picture of scenes in Grand Canyon and Yossemite National Park.

These pictures were produced and brought to Cameron by the public relations department of the Santa Fe sytem. W. DuBois, local Santa Fe Agent, secured the pictures for the club.

Several guests and visiting Rotarians were present for the luncheon; Rotarian Tolbert Patterson of Bryan, deputy State Superintendent of Public Instruction; Rotarian Dr. R. E. McBride of Las Cruces, New Mexico past governor of the 115 Rotary district in New Mexico; and Rotarian Earnset Crumpacher of Houston. Other guests included Mr. Fitzhugh of Galveston and Mr. Schultz of Temple with the Santa Fe system; W. Dubois, local agent and Rev. C. W. Sanders, new pastor of First Baptist Church in Cameron.

Albert Collins was in charge of today's program.

Miss Florence Terry, formerly employed at the Sun Flame Gas Co., has accepted a position with Blair-Stokes Company as secretary. Mrs. R. E. Willamson is now employed at the Sun Flame Gas Co.

GIVE ENTERTAINMENT

On Thursday night, October 31st the N. Y. A. girls of the Cameron resident center will present a program at the home. The program will be as follows:

American Youth, Edith Gamble.

Facts About Youth and NYA, Evona Kuhn.

Lavillita Progress Report, Velma Arisman.

Youths Part in National Defense, Pearl Cook.

Exciting and Serious Moments, Modean Casey.

Prophecy of NYA Girls, Opal Lewis.

Song, Group.

The audience will be composed of the remaining girls who are not on the program and supervisors, Mrs. White and Mrs. Bob Young.

Dr. C. G. Brindley, Dr. C. G. Swift, Dr. Eduard Rischar and Dr. G. B. Taylor attended the funeral of Dr. A. C. Scott of Temple, whose funeral services were held Tuesday at the Grace Presbyterian Church at 11 a. m.

Christian Endeavor, 8:30 p. m.
Lamar Hocker, Pastor.

Ed McAtee of Burlington was a Cameron visitor Saturday.

CHRISTIAN SCIENCE SERVICES

"Everlasting Punishment" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, Nov. 3.

The Golden Text is: "Righteousness keepeth him that is upright in the way: but wickedness overthroweth the sinner" (Proverbs 13:6.)

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "The Lord is known by the judgment which he executeth: the wicked is snared in the work of his own hands" (Psalms 9:16.)

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Remove error from thought, and it will not appear in effect" (page 40.)

Of The Cameron Daily Herald are printed and distributed each week.

That is only one reason why it stands out as an advertising medium. Circulation is the basis for all ad rates and appeal.

Cameron Daily Herald (The Midget) is the only daily newspaper of its kind in the world. Cameron has shown it likes the Little Daily. Intensity of reader interest has no parallel in American ism.

Ask the man on the street; in the home, the housewife and all who read.

The Little Daily can help your business. Advertise in it regularly and for special offerings.
